Invitation to Alumni & Friends

After a long, hot summer it is now time to look forward to football, cooler weather and of course, the annual UK College of Pharmacy Alumni and Friends Golf Outing.

We are celebrating our 16th year of this great UK tradition and

hope we can count on your participation again this year. Last year was our biggest year ever with more than \$25,000 raised for pharmacy student scholarships! Each year the amount increases and we congratulate you for making this happen by participating and supporting the College and pharmacy students. Overall, \$275,000 has been raised during the past 15 years at this event. Thank You!

This year's event will be held on Monday, Sept. 25 at the University Club of Kentucky, located on Leestown Road. This will be our third year at the University Club and the advantage of having 36 holes not only allows us to have more golfers but it speeds up the play significantly. In addition, twice as many awards will be presented since the tournament will be played on two different courses.

After 11 years at \$150 per player, we have had to raise the price to \$175 due to increased costs. Corporate sponsor levels will remain at the same price. As in the past, we will limit the number of total players and the spots will be filled on a first-come basis.

I hope we can count on your participation. This year's outing promises to be every bit as good as in the past and I look forward to hearing from you soon.

Best regards and thanks again for your support.
